

**What's happening at Regal Court Business Centre!? July 2018**

**July** is the seventh month of the year (between June and August) in the Julian and Gregorian Calendars and the fourth of seven months to have a length of 31 days. It was named by the Roman Senate in honour of Roman general Julius Caesar, it being the month of his birth. Prior to that, it was called Quintilis, being the fifth month of the 10-month calendar.

It is on average the warmest month in most of the Northern hemisphere, where it is the second month of summer, and the coldest month in much of the Southern hemisphere, where it is the second month of winter. The second half of the year commences in July. In the Southern hemisphere, July is the seasonal equivalent of January in the Northern hemisphere.

"Dog days" are considered to begin in early July in the Northern Hemisphere, when the hot sultry weather of summer usually starts. Spring lambs born in late winter or early spring are usually sold before 1 July.

**Fifa World Cup 2018**

For the last 3 weeks we have all been following the football and supporting the teams to play their best while screaming and shouting at the television!

During the world cup we have been raising money for Street Child United to make people more aware of this charity and how they help children all over the world.

Thank you to everyone who have donated so far and have taken part in the events and games we have held to

raise some money. On Sunday 15th July we will find out who is the winning team of the FIFA world cup and also who has won the pot luck at Regal Court! Which team will it be?

**WIFI Upgrade**

As part of our continued commitment to providing exceptional services, we are planning on upgrading our current Wi-Fi platform in the coming weeks.

The new platform will give benefits such as faster

Wi-Fi connections, greater network security and better support for newer wireless technologies.

Once we have a confirmed date for the changeover (which will occur out of hours so as to not affect anything during normal business hours) we will communicate the swap over date, your new wireless log-in details and methods to change the Wi-Fi details on most common devices to each tenant specifically.

If you have any questions or concerns, please raise them with [support@regalcourt.co.uk](mailto:support@regalcourt.co.uk).

## A message from one of our client's, David Scott on his **Charity Cycle Ride - Dragon L'Etap for Anthony Nolan Blood Cancer**

"Thank you so much for your generous support, currently we have raised a Total £385 for Anthony Nolan. I completed the ride on Sunday, it was a tough day, but great riding and beautiful scenery, attached a couple of photos. I think I ate my weight in Jaffa cakes, flap jacks and jelly beans to keep me going through the 140miles, 3600m of ascent. Anthony Nolan carries out essential research into a cure for all Blood Cancers and with your help we can bring an end to Leukaemia and other Blood Cancers sooner. If you would like to support me and the good work of Anthony Nolan, please follow the link below, your donation will be greatly appreciated."
